FIFTH ANNUAL REPORT

OF THE

BROOKLYN INSTITUTION

For the Relief of Aged, Indigent Females.

Another year has passed since the "Home" claimed the attention of the public to an investigation of its transactions and advancement.

Since that period it has gone on uninterruptedly in its sacred charity, giving support to the widow and infirm, whom adverse circumstances have isolated from the busy walks of prosperity, and found for them a welcome shelter within its peaceful walls. This we feel assured has been the result to most of its inmates, they having on various and many occasions expressed themselves both happy and grateful for the kindness and care received from the Managers and those employed to minister to their comfort and necessities.

The inmates of the Institution number at present 39. Six have been admitted during the past year; three removed by death.

Mrs. Mary Angus, aged 74, died 22d June, 1855.

Miss Hannah E. Wood, aged 87, died 26th Sept., 1855.

Mrs. Grace Jones, " 67. " 28th " "

The health of our aged friends God has remarkably favored, but few of the infirmities of declining life have been felt by them, and those that have suffered, were, previous to their abode here, in delicate health. It is not presuming too much to attribute this to nourishing and judicious diet, great attention to personal comfort, and the general cleanliness of the establishment.

The Visiting Committee report, "that they find no cause to regret the confidence they have placed in their matron,"

under whose supervision the domestic arrangements are regulated.

The location of "The Home" was most admirably chosen, far removed from the noise and confusion of the business portion of the city, and in a high and salubrious atmosphere. The name of its lamented founder and friend will be hallowed on earth, so long as a heart throb of filial piety is left in its broad bosom, and the Institution of "The Home for the Aged," will stand for time to come, an honored monument to his memory.

A debt of over five thousand dollars, rested upon the building at the time of Mr. Graham's death, and has continued undiminished up to the present time. Notwithstanding this dark cloud upon their prospects, the Managers are making most strenuous efforts to remove the debt by an appeal to individual generosity; and they feel encouraged to say that their prospects for obtaining the means necessary, are most promising.

Should they become free from this pecuniary embarrassment, they must still urge their claims for support upon the charitable almoners' of God's bounties—those "to whom much has been given." The yearly income from subscriptions and donations has not as yet covered the expenses of the Institution, and the diminished funds in the treasury will show the necessity of renewed exertions.

A charity like this appeals to the tenderest and holiest sympathies of our nature. Standing, as do our aged sisters, midway between us and eternity, with one hand clasped in ours, and the other inscribing upon immortal tablets their gratitude and prayers.

Who can resist the appeal to continued care and assistance for those to whom life has almost ceased to be a privilege, but are calmly awaiting their transition from earth to immortality?

In giving this report to the public, the officers of the Graham Institution would express their most grateful thanks to the clergy who have aided them during the past year with their counsel and labors; also to Dr. Vanderveer, for

his prompt and valuable professional services, gratuitously rendered.

Their thanks are most sincerely tendered for the many liberal and acceptable donations received during the past season for the use of the Institution; and to their friends generally, for their sympathy and encouragement.

By order of the Board,
A. R. ST. JOHN,
Corresponding Secretary.

Since the above Report was "read and accepted by the Board," 22d November, 1855, the Managers have the happiness to announce to the public, that the sum necessary to remove the mortgage has been obtained through the liberality of individuals.

They would reverently return thanks to the Giver of all good, for his great mercy in raising up for them friends so able and willing to aid, and may the blessing of his infinite love continue to gild the pathway of those friends with the divine light of his approving smile.

They would humbly supplicate the blessings of the Almighty Father to rest upon the inmates of this Institution. May his holy presence ever be felt by them with gratitude and reverential devotion; and the example of his beloved Son, the Saviour, be held as the star to point to them "the way, the truth and the life."

It will be required that any one admitted to the Asylum shall pay sixty dollars on her admission, and come provided with a good bed, bedding, and furniture for a room. Furniture and other articles brought into the Asylum are to remain for the benefit of the Institution.

The age of persons relieved or admitted into the Asylum must not be under sixty years, unless strongly recommended by necessitous circumstances, in which the Committee shall have discretionary power.

No individuals need apply for admittance except they have been residents of Brooklyn or Williamsburgh at least seven years previous to application.

The Board shall have discretionary power to remove any pensioner from the Home to the Insane Hospital, who manifests signs of insanity.

Persons may be admitted as boarders, (but not to the exclusion of those who are entirely dependent,) provided they submit to the rules and regulations of the Institution, and give satisfactory security for the regular payment of their board, and that their funeral expenses will be defrayed.

Persons who wish to enter the Institution can confer with the Application Committee, at the house of Mrs. JAMES SHELDON, 86 Pierrepont-street, on the first Wednesday after each monthly meeting. The Committee will meet at 11 o'clock, A. M., precisely, and continue in session one hour.

DUTIES OF THE MANAGERS.

The First Directress shall preside at the meetings of the Managers, preserve order, nominate committees, call special meetings, and in all equal divisions of the Board, give the casting vote. She shall furnish every new Manager with a book, containing in print the Constitution, the rules for the regulation of the Board, the duties of the Managers, and the rules for the government of the Asylum. When a Manager resigns her seat at the Board, she is to return this book to the First Directress, who will make it over to her successor.

In the absence of the First Directress, the Second shall preside; and if both be absent, a person shall be chosen from among the members present, to preside at the meeting.

The Recording Secretary shall summon the meetings of the Managers, keep a fair and correct record of all their proceedings, a register of the inmates of the Asylum, and do all other writing not connected with the office of the Treasurer, or the business of committees.

The Treasurer shall hold the evidences of property belonging to the Society; receive all moneys, and deposit the same at a bank, in her name, as Treasurer; make payments agreeably to the orders of Managers; keep a fair account of all receipts and expenditures, which shall at all times be open to the inspection of the Managers. She shall furnish a monthly abstract of her receipts and expenditures, and of the balance remaining in her hands, and prepare a statement to be laid before the Society at their annual meeting.

The Managers shall be divided into committees of two, who, in weekly rotation, shall superintend the Asylum, under the name of the "Visiting Committee."

The Visiting Committee shall visit the Asylum not less than twice during their week: they shall endeavor to be present once at each meal; shall make themselves acquainted with the situation and wants of the inmates; generally direct the concerns of the family; and report their observations in the minute-book—which book, on the last day of their week, is to be sent to the succeeding committee; for which purpose a list of the committees is to be kept in the book.

The Purchasing Committee shall make all purchases necessary for the family, pay all bills, and present a monthly account of their proceedings to the Board.

The Committee for Receiving Applications.—It shall be the duty of this Committee to receive applications, to visit the applicants, inquire into their character and circumstances, and make their report thereon to the Board, in writing. It shall also be the duty of this committee to keep a register of the names of the applicants, the persons by whom they are recommended, and their place of residence. It will be likewise required that they keep a book, in which the terms of agreement, entered into between the committee and the friends of the applicant, be inserted, with the signatures annexed. No person will be admitted into the Institution without an order from the Committee.

Church Committee.—A committee of twelve members of the Board of Managers shall be appointed to see that the Asylum is duly supplied with the preaching of the Gospel; and have a general superintendence of this important concern. Any minister, properly authorized as a preacher of the Gospel by an evangelical denomination of Christians, shall be cordially received, and none other will be admitted. The whole duty of supplying the Asylum with the preaching of the Gospel, to devolve on this committee, which they will be expected carefully and conscientiously to discharge; and the other members of the Board of Managers will be required to communicate with this committee, and obtain their consent, previous to introducing any one into the Asylum as a religious instructor. The Committee shall, as far as practicable, have the Asylum supplied with preaching once or twice on the Sabbath. The committee shall make such regulations as may appear to them proper and regular, with respect to prayer-meetings, or any other religious meetings, from time to time. The committee shall give verbal instructions to the Matron how to act in relation to this subject, in the absence of the committee. The committee to keep a register of applications, with the decision of the Board in each case.

Each Manager will be furnished, by the Recording Secretary, with a list of subscribers, whose contributions she will be expected annually to collect.

The duties of the Managers appear to be generally comprised in the foregoing rules; in addition to which, it shall be considered the duty of the Visiting Committees at the Asylum, during their stated periods of attendance, not only to inquire into the temporal welfare of its inmates, but to visit them in their several rooms, and endeavor to ascertain their spiritual state, giving them such advice and instruction as may be in their power, and the circumstances of the case may render necessary.
